Hi Michael,

Per our previous discussions, Betsy and I will meet tomorrow to discuss the status of our sites.

Afterwards we will notify the appropriate parties that we will be sitting in on calls, site meetings, etc. for the next few months. No targets or goals have been identified for completion during this timeframe. Please keep us informed should this change.

Thanks,

Tanya

When you are meeting? Can you send me a summary – or set up a quick meeting – to let me know what you decide?

Thanks.
